Cause No. 1722-CC00550
Division No. 1
(Asbestos)

AGREED ORDER

This matter is before the Court on Defendant Centel Corporation, f/k/a Central Telephone & Utilities Corporation's Emergency Motion for Issuance of a Protective Order. The parties have appeared, and multiple defendants have joined in this motion.

Upon argument and review of the record, the Court GRANTS the Motion for Issuance of a Protective Order. The Court FINDS that participation in deposition(s) and other discovery by any Defendant who has timely filed a Motion to Dismiss or Affirmative Defenses regarding Lack of Personal Jurisdiction DOES NOT amount to a Waiver of any Jurisdictional challenge. Motions to Dismiss for Lack of Personal Jurisdiction shall be called and heard no later than 90 days before trial absent court approval for an alternative date.

SO ORDERED this 29 day of August, 2017.
